8x10 Composites*

Size of composites shown is approximate. We will custom cut the smaller image partially into the larger one so that it works best. For example, the small print could end up as large as 4x5, or as small as 2x3.

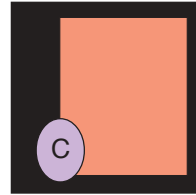

Note: We will typically cut all small prints into ovals, even if they start out square.

INVO-Custom*

We will custom mount an invitation so that it has the same look as all the other photos in the album - must be smaller than 8 x 10, or else we'll mount it on a blank

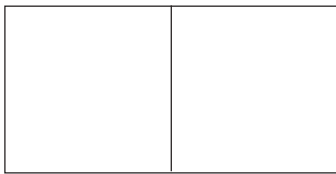

INVO-Blank*

An invitation can be mounted on a blank frame by us (Please send) or by your studio

Blank

This can be used anywhere in the album or on the last side of an album that ends on an odd page
